

Learning Series with Early Childhood Professionals

ABA Fundamentals: Understanding Behavior Through the Lens of Applied Behavior Analysis

In this training, participants will learn Applied Behavioral Analysis Fundamentals, including what does ABA mean and who it benefits, understanding the functions of behavior through the Functional Behavior Assessment, and how the functions of behaviors help guide treatment and strategies. Join Alisha Simpson-Watt LCSW, BCBA, LBA, Executive Clinical Director and Founder of Collaborative ABA Services, LLC to gain more knowledge about ABA and how ABA is used to understand and treat behaviors in young children.

Presented by: Mrs. Alisha Simpson-Watt, LCSW, BCBA, LBA
Executive Clinical Director/Founder
